

KOKOMO ist eine der ältesten Opalescent-Glashütten in den USA. Schon Tiffany war Kunde bei KOKOMO. Es gibt einige Farben, die in ihrer Brillanz einmalig und unerreicht sind. Viele Farben sind auch mit verschiedenen Oberflächenstrukturen lieferbar. Sehr umfangreich ist die Palette der transparenten Gläser, die sich sehr gut im Türen- und Fensterbau einsetzen lassen.

KOKOMO is one of the oldest glass manufactures in the U.S.A. Tiffany was originally a customer of KOKOMO'S. This company makes number of colors which are unique unequalled in their brilliance. Many colors are available with several different surface textures. The palette of transparent glass, which is very suitable for use in doors and windows, is also extensive.
